

Dear colleagues!

Issues № 2 and № 3 of the Eurasian Chemico-Technological Journal are dedicated to the 75th anniversary of Zinifer Rishatovich Ismagilov, Doctor of Chemical Sciences, Professor, Academician of the Russian Academy of Sciences, Laureate of the Global Energy Prize (2021), Director of the Institute of Coal Chemistry and Material Science of Siberian Branch of the Russian Academy of Sciences. Since the foundation of Eurasian Chem.-Technol. J., for 23 years, Prof. Zinifer Ismagilov has been a member of the Editorial Board of the journal.

Prof. Zinifer Ismagilov is an outstanding scientist in the field of coal chemistry, the chemistry of carbon materials, and heterogeneous catalysis. Under his leadership, fundamental studies of the structure of coals by modern physical and chemical methods have been carried out, scientific bases of pyrolysis and gasification of coals, obtaining of individual products of coal chemistry and coke chemistry and methods of their purification have been developed, regularities of polyaromatic hydrocarbons content in the series of coal metamorphism have been established.

Thanks to the efforts of Zinifer Ismagilov, cooperation is established between the Boreskov Institute of Catalysis SB RAS (Novosibirsk, Russia), the Institute of Coal Chemistry and Material Science SB RAS (Kemerovo, Russia), and scientists from the Institute of Combustion Problems (Almaty, Kazakhstan). There is a mutual exchange of publications in the journals Eurasian Chem.-Technol. J. and Chemistry for Sustainable Development, the Editor-in-Chief of which is Z. Ismagilov.

It is especially worth mentioning the enormous contribution of Prof. Z.R. Ismagilov to the development of the Eurasian Chem.-Technol. J. During the publishing of the journal, Z. Ismagilov published in co-authorship more than 40 articles, which are cited in leading scientific journals. Publishing his papers in Eurasian Chem.-Technol. J., Prof. Z. Ismagilov also attracts leading scientists to publish and contributes to the popularization of the journal in the international scientific space.

The Editorial Board of Eurasian Chem.-Technol. J. heartily congratulates Prof. Zinifer Ismagilov on his anniversary! We wish you good health, family happiness, prosperity, and further creative successes and achievements!
